If you are applying for sports funding ie: Kid Sport or Jump Start you will need to send in a copy of your funding application form with the registration. A reimbursement will be made once the funding has been received by SCMHA. All registration fees must be paid in full during the funding approval process.

**Registration fees must be paid in full** before your child can be a member of the Sunshine Coast Minor Hockey Association. Until registration fees are paid, you child will not be able to participate in practices or be placed on a team roster. **Any prior years fees outstanding will have to be paid prior to registration being accepted.**

**New Player:** A copy of your birth certificate is needed and all hockey forms completed.

Player moving to the coast and has played with another hockey association **MUST** have a Declaration of Residence form with 2 pieces of information proving your residency showing the actual physical address (cable, hydro etc.), also, a Player Movement form filled out by previous hockey association.

If all the information needed for registration is not complete and given to the Registrar in a timely manner, the player will not be able to participate in practices or be placed on a team roster.
