### **Game Day Sunday Concession**

We will be operating a concession this season on Game Day Sundays. This is the day with the most scheduled home games in the same place. There are 4 Rep games and 1 Bantam house games scheduled as well as a Novice practice time. Minor Hockey will be running a concession for the entire day. It will be broken up into 3 hour time slots and teams will be given the opportunity to work in the concession and earn some profit for their team.

Each slot will need to be manned by 3 people from your team, one of them needs to have Food Safe. If you don't have Food Safe and you want to be involved in this project, someone on your team needs to get it. I have a limited number of volunteers who would be willing to come and help out so that your team could take a time slot, but it cannot be on a continuous basis. Food Safe is available on line and is around \$100 to take.

Please let me know if your team is interested in helping out and raising money in this way. I am currently trying to fill the ~~16<sup>th</sup>~~, 23<sup>rd</sup> and 30<sup>th</sup>. To keep my sanity I will need to hear one week in advance of your request to fill a slot. If there are still empty spots after that time they will be offered to teams wanting to do more than one slot.

This is a new project and ongoing in nature so nothing is set in stone at this time. Please contact me with questions etc.
