

# Vancouver Giants Minor Hockey Fundraiser

Parents:

Sunshine Coast Minor Hockey will be the host association for the NOVEMBER 20, 2011 Vancouver Giants vs. Kootenay Ice game at the Pacific Coliseum at 5:00 pm. We have two excellent ways of fundraising during this event.

**Ticket Sales**–Teams will have the opportunity to raise money for themselves by selling tickets to the game. Teams will keep the entire profit of each ticket they sell (\$6). To be able to get the ticket sales happening early I have attached an Advance Ticket Order Sheet so that everyone can start before the actual tickets arrive. Tickets purchased by advance order will be filled first and will be the better seats, so start selling! After these orders are filled I will then hand out tickets to teams to sell as well.

**50/50**– The Association will receive proceeds from the 50/50 draw, a huge opportunity for us! To make this happen I need 4 volunteers from each team to help sell tickets. Tickets sellers will not need to purchase a ticket but they need to be at the Pacific Coliseum at 3:30pm. Teams need to provide volunteers in order to receive their ticket sale profits.

This is always a great time, having alot of kids together enjoying a great game of hockey! It is always great fun watching our Tykes take the ice during the first intermission! Please consider being a part of this day!
